Re: NIH FOI Case No. 38631

Dear Mr. Seife:

This further responds to your February 24, 2011, Freedom of Information Act (FOIA) request addressed to the Freedom of Information Office, National Institutes of Health (NIH). You requested various ethics-related documents pertaining to 44 named individuals from January 1, 2005 to February 28, 2011. During a telephone call with NIH Officials this afternoon, you asked about a recusal list for Dr. Huda Zogbi. Please be advised that Dr. Zogbi's recusal list was not provided to the NIH FOIA Office during our search for responsive records.

We have located that document and it is enclosed. The financial information originating from Dr. Zogbi's Form 450 has been redacted pursuant to Exemptions 3 and 6 of the FOIA, 5 U.S.C. §§552(b)(3) and (b)(6) and section 5.64 and 5.67 of the HHS FOIA Regulations, 45 C.F.R. Part 5, consistent with the court's June 12, 2012 decision in *Seife v. Nat'l Inst. of Health*.

Sincerely,

A handwritten signature in blue ink that reads "Susan R. Cornell".
